Bigger Imprint Areas

Imprint areas are bigger than ever!

Take advantage of a 300 degree wrap-around imprint area measuring 2 1/4" x 1".

Available in 36 different clip colors and 8 grip colors.

3D Clips

Not only can you imprint in 300 degrees on the barrel of your pen, you can also choose from 10 stock industry designs for the clip in multiple colors.

These 3D clips showoff industries from sports, to finance, to realty, and add that

opaque, metallic, translucent, and florescent clips, as well as gel ink and stylus options too.

Full Color Clip Imprint

Stand out from the crowd with a full color imprint on your pen clip.

Available on a white or silver clip with an imprint area of 1 2/5" x 3/16" and a minimum order of 1,000 units.

Give a pen to your clients that will intrigue and excite them!

On the Go Options

Finally a pen that won't go missing when you need it!

This pen has a swivel clip that swings out to slide into multiple areas in the dash or crevices of your vehicle. Option for bright white or black barrel, 300 degree imprint also available.

Always have a pen handy when you need it!

3D Custom Logo Clips

Talk about triple brand exposure! Why not combine a unique decoration location, 3D logo, and a full color option to create a pen that is truly custom?

3D customized color clips are sure to push your brand to the next level!

The Finishing Touch

Don't forget the wow factor! There are many packaging options to pack that extra punch. Options include gift boxes, pen sleeves, velvet pouches, enamel sheaths, and custom pen cards.

There are tons of creative options to ensure maximum brand exposure.
